FILLMORE COUNTY FAIR RULES 2022 TRACTOR RULES

For safety – Any driver assumed to be intoxicated will be disqualified. Driver will be disqualified if not seated at all times, or if anything falls off of the tractor while on the track. All youth drivers **MUST** have a kill switch. No duals (except for 4 wheel-drive and MFWD classes) or chains allowed. All exhibition pulls will be last in each class. Front of weights must be no further than 13 feet ahead of the center of the rear axle. Limit for '59 & Older tractor is 11 feet. First in class does not have the option to repull unless specified by the sled operator or to settle full pulls. 75 feet option for all pullers. Draw bar must be visible when backed up to skid for hooking. If you go over the speed limit in speed limit classes please finish your pull at the required speed limit for the class. Maximum of 100 pounds allowance overweight at scale allowed for each class. All pullers must weigh at scales provided by sponsoring organization and go across scales before hooking in their class.

Announcements day of pull take precedence over any printed material.
